Strong Start, Bright Future Ahead

The first quarter has come to a close, and what an exciting start it has been! Students have already experienced a season filled with learning, creativity, and community. During the first quarter, we celebrated National Hispanic Heritage month with a school-wide event led by Ms. Roberts, highlighting the rich cultures and contributions of Hispanic and Latinx communities.

Students have also had the opportunity to extend their learning beyond the classroom through academic field trips to local museums, farms and universities. Each experience helped connect classroom learning to the world around them. As we approach Fall break, we encourage everyone to take time to rest, recharge, and reflect on a successful start to the school year.

Message from the Principal

The first quarter has officially come to an end, and we are so proud of everything our students have accomplished so far! Report card pick-up gave us a wonderful opportunity to connect with families, celebrate progress, and set goals for the months ahead. Let's keep this momentum going for a strong second quarter!
